**CONFERENCE SPONSORSHIP**

This year will mark the 50<sup>th</sup> IEEE Holm Conference on Electrical Contacts and is combined with the 22<sup>nd</sup> International Conference on Electrical Contacts. The increased attendance at an International Conference by participants from over 20 countries presents excellent marketing opportunities to companies through our sponsorship program. Our sponsorships are designed to provide your organization with maximum visibility to engineers and managers from companies worldwide who attend and participate in our conferences. Your sponsorship will help us continue to keep registration costs low while providing high quality training, education and networking. Each level of sponsorship consists of a variety of benefits that provide extensive exposure to your company before, during, and after the conference.

If your firm would like to take advantage of the benefits of being a Conference Sponsor, please contact Mary Curtis, IEEE Conference Administrator at 732-562-5350 or [m.curtis@ieee.org](mailto:m.curtis@ieee.org) by **June 10, 2004**. Sponsorship will be available after this date but your organization's name will not be printed in the final program and proceedings.
