CONFERENCE SPONSORSHIP

This year will mark the 51st IEEE Holm Conference on Electrical Contacts. Our sponsorships are designed to provide your organization with maximum visibility to engineers and managers from companies worldwide who attend and participate in our conferences. Your sponsorship will help us continue to keep registration costs low while providing high quality training, education and networking. Each level of sponsorship consists of a variety of benefits that provide extensive exposure to your company before, during, and after the conference.

If your firm would like to take advantage of the benefits of being a Conference Sponsor, please contact Jennifer Lambert, IEEE Conference Administrator at 732-562-3870 or j.lambert@ieee.org by **June 10, 2005**. Sponsorship will be available after this date but your organization's name will not be printed in the final program and proceedings.
